## **WHY INSTRUCT PREMIER SOLICITORS**

### ***Low fixed fees***

You will be provided with a fixed fee quotation at the outset of the transaction. We do not increase the fees and have no hidden costs such as copying/ faxing charges, telephone charges or indemnity insurance contributions.

### ***Extended opening hours***

We offer extended opening hours. We open from 9am up to 7pm Monday to Friday and 10am to 2pm on Saturdays. We are also able to offer out of hours appointments by arrangement.

### ***Efficient Service/Team Backing***

We aim to provide an efficient service and to deal with your calls personally. If you cannot speak to the Solicitor dealing with your case you should be able to speak to another member of the department.

### ***New Technology***

We use modern technology to assist with the conveyancing process. All our telephones have direct dial and voicemail facilities and all our staff have personal email facilities meaning you can easily contact the solicitor dealing with your case. We can undertake our searches electronically or personally to expedite matters. All work can be done by post, fax and email so you will not need to take time off work to attend our offices.

### ***No Need To Visit Our Offices***

We can deal with all aspects of the transaction by post, e-mail or telephone. There is no need to visit our offices to sign paperwork. Although, if you do wish to attend our offices, we would be more than happy to meet with you.
